

Have you suffered a recent event or illness? Has it become increasingly difficult to manage at home? Don't think you have to give up your own front door, come and take a look at Sunflower Way.

Pearl Healthcare is recognised as being a passionate and committed provider which offers support according to individual needs and from this foundation Sunflower Way was developed.

# SUNFLOWER WAY

A self-contained unit for the younger physically disabled designed with you in mind. Affordable, unique and a place to call home.

Isle Of Man, IM2 3JA

TRANSFORMING LIVES  
AND BUILDING HOPE

## OUR AIM:

The support and services we provide are dedicated to responding to your individual desire to have choice in your life. At Sunflower Way you won't be singled out as being different you are an individual with individual needs and desires to enable you to regain independence and live a fulfilling life.

At Sunflower Way we work with you to enable you and not to disable you further and to facilitate this we implement the Social Model of Care where all things become possible!

Our service principles to you are:

- Choice
- Dignity
- Respect
- Opportunity

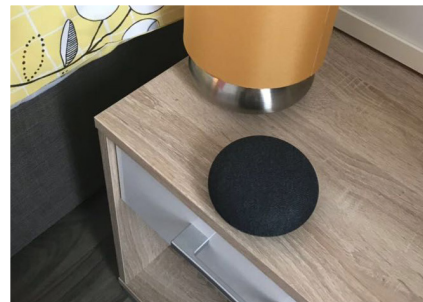

*From easy access ...*

*to your own front door ...*

*well appointed bedroom ...*

*... to your own speech assistant.*

## MAKE THE DREAM A REALITY

The unit is an exciting new venture to meet the needs of people just like you and this will develop and change, and you are warmly invited to come and make this change happen make the dream a reality.
