

INDIVIDUAL CARE

We recognise that everyone is different and the care we deliver reflects this. We aim to create a secure, relaxed, happy and homely atmosphere for our residents and staff.

PEACE OF MIND

We are committed to providing the highest standards of care and service to our residents and this is achieved through the skills and determination of our staff.

New Road, Laxey
Isle Of Man, IM4 7BG

LOCATION

Glen House is beautifully situated approximately 8 miles from Douglas, the capital of the Isle of Man, and approximately 10 miles from Ramsey on the eastern side of the Island. Glen House is adjacent to the main road travelling to Ramsey on the left hand side of the road beside the Mill and Glen Roy River.

Situated close to all local amenities in the village Glen House is nestled in Laxey Glen Gardens a popular tourist spot during the summer months. Despite its somewhat isolated position Glen House is served by a local transport route which runs all through the year making it accessible to families and friends of the residents. During the summer months it also has a local tram service which operates from Douglas to Ramsey on a return basis.

COMFORT & WELLBEING

Glen House has 21 rooms with most being fully en-suite. All are tastefully furnished, have great views of the Glen and equipped with TV points and telephone options.

QUALITY OF LIFE

Quality of life is as important to us as it is to you and our aim is to work together with you to achieve this by listening, planning then carefully monitoring.

We have an open visiting policy and friends and family are always made welcome, perhaps on occasion you would like to have family stay for lunch or tea?

ACTIVITIES

We have a dedicated Activities Co-ordinator who tailors the activities to suit all backgrounds and abilities. These involve musical quizzes, board games, flower arranging and arts and crafts. We are also visited by local groups who enable the residents to feel part of their local community. These involve reminiscence groups and church services.

DEMENTIA CARE

At Glen House we fully support people living with dementia and memory loss where staff training and design promote a safe and stimulating environment for people to continue experiencing a full and active life.

PROFESSIONAL STAFF

Trained staff are on duty 24 hours a day who are supported by a dedicated team to ensure that the care we provide is person centred and truly supports dignity and choice.

In addition to our team, residents can access a range of healthcare and wellbeing services supported by community healthcare professionals who regularly visit the Home upon request e.g. GP, District Nurse, Podiatrist Speech and Language therapist etc.
